NEGRO MIGRATION. ment which has taken place among the negro hension was not quieted until the actual experi ment proved that there was scarcely the least rection. A small number of them found their or in quest of food; but the great body of them remained at their old homes until their assured for the disruption of the Federal Union. freedom, under the stimulus of the demand for their labor, set the current in motion, and then the direction it took was toward the far South.

The more northerly ex-slave States have lost immensely in this class of their people. Their the requisite number of workmen at the ruling prices that there is serious talk of importing laborers from foreign lands. The Carolinas and Georgia are estimated to have lost from one fourth to one-third of their negroes, and even Alabama ioconveniently feels the decrease .-The papers of those States attribute this fact to extensive migrations to Mississippi, Louisiana and l'exas, in which States superior inthat State had before the war. Many of the inegrees having been sent to Texas for recourity from the operations of the armies, there is at present a movement back toward their old homes cast of the Mississippi and in Louisiana.

A young rat ansmaking observations in a basket of clema at Glorester, on Marchey fight, when he disappresent the clema and was held prisoner, being found the legislation of the condity.

their respective Ward Rooms to nominate candidates for Aldermen and Conteilmen. HENRY II. PAY, of S. C. Com.

Carous,-A call in our columns invites the National Union Republican Electors to meet this evening at the State House for the purpose of nominating a candidate for Mayor. The notica comes from a member of the State Central Committee, who, it is asserted by many, has no preach a memorial sermon on the occasion of authority for issuing such call, as, whatever the death of Rev. Daniel Wobb to-morrow precedent there may be for this, the Stato organi- morning, at the Mariboro' Street Methodist of the city of Newport. Mr. Foy is himself out of friends of Father Webb are invited to attend. the city and it remains to be seen whether the Republicans will decide to make a distinct party nomination, or whether, as many desire, the brat trien shall be chosen breespective of party lines as has been beretofore done. .

It would seem that, in either case, there should It would seem that, in either case, there should Miss Phebe W. Rezelting, who died recently at be a city organization to attend to monicipal al- Fisherville, N. H. has left eighteen thousand dollars. The majority of the members of the State lars, to the Mount Holyoke Scientsry. Committee may be residents of other towns, and so be in no wise porsonally interested in our local business. It is to be larged that some stops will be taken in this direction at the meeting to night.

As to the proper person to be autoloated for the Mayoralty we have nothing to eay. From street rumors we judge there is no lack of candidates. In addition to Mr. Parker, the present incumbent, we hear mentioned the names of Wist. H. Cranston, Win.J. Swipburne, Wm. A. Stedman, | H. Crauston, Win.J. Swipburue, Win.A. Stedman, in membership of thirty-live thousand, there were Ourlstepher G. Heady, N. M. Cheffee and one or not half a dozen applicants for adjustion. From two others,—all competent to the position. From some large districts, with thrusands of Cherch sonh a list there need be no difficulty in getting a members, there was not a single candidate. such a list there need be no difficulty in getting a proper person. For ourselves we shall be estimated to bave our municipal affairs kept entirely separ. The intention is the recent meeting determined to give a new church in the western section of the city. The intention is expressed to preserve the old building aid to make it a mission church. Dr. Jayre left ten thousand dollars towards the erection of a new necessary connection. necessary connection.

Court of Justices, -- Two complaints were yesterday before this Court under the City Ordinance terday before this Court under the City Ordinance in falsation to dogs. Mr. Sheffield, in an argument 1866, and the list shows that 10 Methodist; 8 for the defendants raised the point that the Ordinance is inconsistent with the statute law of the State in the premises. Mr. City Solicitor Peckham appeared in behalf of the City. After hear ham appeared in behalf of the City. After hear-ling the arguments of counsel the Court gave a O. B. Sing, pastor, is encool the eldest and largest judgment to favor of the City. The decision how-ever, is not final, and will be carried to a higher ham appeared in behalf of the City. After bearever, is not final, and will be carried to a higher well to have the question of a conflict of authori. ties settled by, the Supreme Coast and thus removed from in exfering with the enforcement of the Ordinance in regard to dog licenses, which is an important one and much needed to establish a responsibility somewhere for the innumerable outs that infect the city.

The Editor of the Liberal Christian save: I took upon every Universalist Society us a Unitarian Society with smather name, and every Unitarian Society as a Universalist Society under some that infect the city. that briest the city.

A CHANGE FOR BUSINESS .- Among the applicathose sent to the Postmaster for information on of ther Universalism or Universalism as such, all sorts of subjects, the following, received today all ports of subjects, the following, received today by Mr. Coggeshall, is in a new line and may open it has done, and is doing to day. God bless it, to some one an opportunity to establish business and all who are working in and through it for the as ast broker. It is dated at a town in Maryland redemption of the world. and subscribed by Mr. 8-, buokseller.

your place) what they can be usually set any one in selligation a number here. If I can get any one in the papers, to raise a bean, and his bonds for the your place to send them to me. was intended as a meeting of the City Temper and Society exacts in the call.

Although under the anspices of the City Temper I have known since we have been in Ohio, (mostly the following least are stated:

Although under the anspices of the City Temper I have known since we have been in Ohio, (mostly the most of the contraction). perance Secrety, the real object was to consense if my years,) and it has re-alted in the conversion of a multitude of souls. We have hid a given all the friends of temperance to deliberate upon revival here, and I do not know that the interest

the most proper course for them to adopt in its decreasing. I think that I may safety say that the course is at the different churches would usmber two bandred. In a female seminary, which has nearly one handred and fifty pupils, all are thought to be Constituted but two the course is the one course in the sity are exceptly invited to be present. are exemestly invited to be present.

To be DEMOLISHED. -The light-keeper's dwell-To be Demonstrate.—The light except a twelling on the North end of Goat Island, which has been standing for nearly a century, is to be razed to the earth, with its out buildings, do., by order of the Light-House Inspector. The house was vaeated by the keeper of Goat Island Light when the most of the mark in programment. One of them is the son of a missionery in India. Another breakwater, some two years ago, and has since its an Armenium who came to this country that has might prepare dimpell to treach the Granel rocking. been occupied, rent free, by Mr. Toweend Taylor. We do not learn the reasons which induced
its demolition, nor what is to to be done with the
material. The work is to commence early next has the names of the kent of the free next indicated.

The city ordinance published in our columns to day is intended to put on their goard certain persons who have defaced fences, houses and other
property. When a man has put a new coat of
paint on his premises and thus done comething tothe opposition which reduced their hitle actinizer. to protect him against depredations.

Convarescent.-We are pleased to learn that Thomas Coggeshyll Esq., the efficient Postmester of this city, who has been guffering with inflamation of the eyes to such a degree as to be unable to endure the light; is beginning to recover. Yesterday, the room in which he sat was partielly illuminated by opening a blind of one of the windown and to-day he roce ont-

log friends, that their Celico Bocial will take place. "Home Audismonts," published semion Wednesday Evenlog April 25th icsiend of May monthly by J. W. Richards and Co., 78. Nale's as first proposed, when everything will be sau St., New York, is a chaap magazine made
done to insure a good five to all. done to jusure a good time to all.

During next week (Haly Week) Emmanuel offered ladies to become agents. Church will be open every day for divine service sad a lectore at 3 p. m.

The precise date at a bich it is anticipated the fair at Saint Mary's School is to be opened, as now given us, is Tuesday, August 13th.

Religious Intalligence.

MINMORIAL SERVICE .- Rev. Dr. Uphain wil zation has nothing to do with the municipal affelia, Episcopal Church, The former pupils and

> The four Congregational Trinitarian chuches in Doring the late storms in California the Methodist oburches of Clayton and Radword City were blown down.

The congregation of Roy Dr. Boynton, Washngton, D. O., have refused to receive his resigna-lon, and he will probably remain, taking a vaca-ion of several mouths to recruit his health.

A correspondent of the Cospet Messages gives a record of ordina lone of ministers from other relig-

ever, is not thus, and will be carried to a lighter tribunal. As compisite no being constantly individuated in the reference at different times made under this ordinance of the city, it will be during the year, of persons into full connection, it will be the present the question of a conflict of authori. bation. Its present membership, icoloding proba-tioners, is eight hundred.

liste as incorbers of one great brotherhood—a brotherhood which is rapidly growing, and deatin ed to include thousands who have no interest in at the present time, and appreciate the noble work

Three-fourths of the pope's entire revenue came Dan Six:—There is a demand for the Maltese Cat here, and learning that they are as common with you as our necessary house cat is with us, thought I will ask you (not knowing any one in your place) what they can be bought for. I could sell quite a number here, If I can get any one in the place in the paper in the papel debt there is a large smooth the treasury. He is all quite a number here, If I can get any one in the paper in the papel debt there is a large smooth deficit in the treasury. He is a large smooth the first time in the bistory of the paper in th an answer whether you know of any one who purpose are the in a control of the lives ment would attend to sending them to me, it such is the and, of Rinde Island, wouches for the lives ment make it a good bos ness if I can get sine one who will send me young and handowns ones. I enclose at each ment of the young and handowns ones. I enclose a temp for reply.

Mr. Edition:—The call for the meeting held at the State House on Wednesday evening held.

Also impose to the interest, we suppose, have in go on weather the first three three, is being at the State House on Wednesday evening held, and the first three three, is being energetically capied out. Say priests have already been a total collection to educate the blacks.

In moral and religious influence.

It is stated that the Valedictoffan and Salutatoern Colleges, who bern the foreign missionary work in view.

The Methodist charely, South, is not to be at ward beautitying the city, it is right for the city to since before they had fairly got at work, they in the protect bim against depredations.

We are leastly least to least the making the year to exty-eight ministers and nearly seven thousand members, one-third of them whites.

The results of the late Fenlan rising in Ireland are beginning to be soverely felt in the lack of empliyment. The Limerick correspondent of the London Times says a general cry of want of business is beard in avery part of the city, and numbers of men are continually to be seen lounging at the different street corners, without a chance of employment. Many of these young men who had been lately arrested Sur the Aivertisament of Madame E. F. on suspicion of having been engaged in the at-Thornton, the great Astrologist, Clairvoyant tacks on the different police barracks in that county have been set at liberty.

MAKONETER, N. H., April 13 -- A serious ac-cident occurred on the O-neerd and Portemouth mittes of the Martha's Vinoyard Camp-Meet, about one mile west of the etation in Carolla,—ing Association will not buy the land recently purchased by parties for a summer resort adjacent to Wesleyan Grove, but has succeeded in obtaining a gustanize that the grounds shall not be used for any immoral purpose or leavy way inimical to the interests and good order of the meeting: This will insure a continuation of the meeting: This will insure a continuation of the meetings on the old ballowed spot.

The Taunton Gazelle says that though the petition for the surrender of the charter of that city is signed by many respectable names the number of petitioners is only a hundred out of

ROM MEXICO New York, April 12 .- Vera Oruz dates to the 2d have been received. A disagreement had on oursed between the Imperial Commissioner and Gen. Gomez, owing to which the latter threw of the connulstion and abandoned the cause. The his commission and abandoned the cause. The disagreement it supposed also to extend to other officer, who are expected to follow General extending the ample. Gomez, at the time of his resignation was commander of the Imperial forces in Vers Cruz. Reports Iron the interior are conflicting. The story of Ecobedu's defeat at Queretare is supposed to have been manufactured in order to impirit the troops. Public was reported to have been cathered by the Libertals. been captured by the Liberals.

FROM WASHINGTON.

Washington, April 12.

There was an explosion of gas this morning in the barement of the general Post office, in a coom in which gas has been node by a partable apparatus for some months past. Three clerks in the city Post Office were injured, and one may not

The Burgies! Museum which has been fitted up in the surgical flusterin which has been litted up-in the reconstructed Ford's Theatre, will be opened to the public on the second anniversary of the assassination of Line in, among other continuities is the joint of Broth's beek one through which the bullet passed which terminated his life.

The Supreme Court room was crowded with
lawyers and seccesson sympathizers to day at 11
o'clock, auxlous to witness what nispost lon would be made of the injunction cases, but other mat-ters first occupied the atten ion of the Court,

When the injunction case was taken up Attor-ncy General Stanbery made a powerful argument deaying the original juri-diction of the Court, and

was followed by R. J. Welker.

It is certain that the S-nate will not afjourn before the middle of next week.

DIABETES. STONE IN THE BLADDER, CALCULUS, GRAVEL, BRICK DUST DEPOSIT, AND MUCOUS OR MILKY DISOHARGES AFTER URINATING.

IRRITATION OF THE NECK OF THE BLADDER, INFLAMMATION OF THE KIDNEYS,

For the le discussed it is truly a coveredge remedy and too ranch cannot be said in its praise. A single dose has been known to relieve the most argent suppome.

a supprome.

Are you troubled with that most districting pain in the small of the back and through the high? A responding does of the Constitution Water will relievely on like magic.

500 Pices Entirely New Patterns.

PHYSICIANS

Have long rince given up the use of bucha, cubebs and analysis in the treatment of these diseases, and only use them for the want of a better remedy.

CONSTITUTION WATER

Has proved itself equal to the task that has devolved upon it. DIURETICS

Irritate and drench the kidneys, and by constant use soon lead to chronic degeneration and confirmed diagram

soon lead to chronic degeneration and continued disease.

We present the Constitution Water to the public with the coasiet of the thin the confiction that it has no equal in relieving the class of diseases for which it has been found to unleantly successful for curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patient and physician.

Streadsburg, Jan. 20, 1866.

Dr. Grzegi

Bear Sir:—I wish to inform you that I have been under the treatment of some of our best physicians for nearly two years, without receiving any benefit. I had best all confidence, and I shutuged in but listle boro of a ourse from any source. My disease was 170,000, and my physiciant feld in the there was necessary for ma. I was tapped some fitty times, and at the different operations about 1240 younds of water was responsely.

removed.

In mappy to inform you that I have been com-fired restored to health by the nee of Constitution Water. I make this statement hoping it may reach those persons who may be similarly officied.

Respectfully, Mas. MARGILE C. LEYANWAY.

IN DYSMENORRHEEA, OR PAINFUL MENSTRU.

ATION, AND MENORRHAGIA, OR PROFUSE

FLOWING.

Both diseases arising from a faulty accretion of the mensional fluid—in one case being too little and accompanied by severe pain, and the other a too profises secretion, which will be speedily cared by the Uous fluid water.

That disease known as FAI LING OF THE WOME, which is the result of a relevation of the ligaments of that organ, and is known by a cease of heaviness and cragging pains in the back and elded, and at times accommissed by sharp, lachuating or shooting pairs through the parts, will in all cases, the removed by the mentioner.

GOODS LOANED

On Weekly or Mouthly Payments. THE system of furnishing Goods upon Weekly or Monthly Payments is peculiar to my satableiment. It is invaluable to persons of limited means, who wish to examine horsekooping or replicate their dwellings, but who have to carn their mosey to do it, and still support their families. The system has worked so safely that it is in constant practice at my Emporium on Broad error.

The Bratem Contemplaton Two Things. The States Contemprison the Assault First The accommodation of persons having a state! limited lucone, and also those who dealed to use their money and pay instalments from its earnings. They can have the use of my property until by weekly or monthly payments they make it their

by weekly or monthly payments they make it their name.

SECOND—The perfect recurity of myself against leases. The goods are leaned by me and located, and hence extend to moved without my consect—The fee of the goods being in myself, I can cal for them as any forment. This conserte promptness of payment according to the forms of expression their use and it pair for, when they become the property of the aser, by a regular this of sale. The contract learness legally, and its violation by the removal of the goods or their astempted sale, would subject the person doing it to heavy populities. These two features secure to me zarcty, and it my customers chempiness of pices. They do not have to pay for losses incurred through others. Bedies the system secures a good class of customers, and I am easiled to be cell the worthy whose means are limited, and not injure myself, or interfers with cash consections.
